

WHAT IS A FAMILY SCHOOL COMPACT?

A Family-School compact for Achievement is a voluntary agreement co-developed by parents and teachers. It identifies how parents and the classroom teachers will work together to ensure all students receive the individual support they need to reach and exceed grade level standards.

JOINTLY DEVELOPED

The parents and staff of the School Governance Council developed this Family-School Compact for Achievement. Parents created the suggestions for home activities to support learning. School-wide meetings are held annually to review the compact

Parents are welcomed and encouraged to contribute comments at any time.
